226 71	SMS Messages	Incoming		9/15/2014 6:19:09 PM(UTC-4)	From: 7745713150 Boardman Sam	I just timed that it takes 3 mins per bracelet. Which urs beats Madison's 15 mins per shirt. So if u think about it, if all three of us make brackets for 15 mins, us combined can make 15 bracelets at te speed they can make one shirt

226 77	SMS Messages	Outgoing		9/15/2014 7:02:39 PM(UTC-4)	To: 17745713150 Boardman Sam	She makes me feel really weird like idk how to even describe it. Like she tells me things that make me feel uncomfortable and I dont know how to talk to her sometimes. She hasnt contacted me since the tournament, and she didnt even say bye when she left and didnt say thank you to me for having it and I mean thats okay like I totally understand she was probably very overwhelmed. Like Conrads friends were there and their family and so many strangers to her and they were all laughing and having a good time and I couldnt help thinking that Conrad should of been there playing with his friends. Its hard to process that. And I know she was thinking the same thing. But idk she just gives off weird vibes to me and tells me uncomfortable things I dont know what to say back but I want to be able to tell her the right answers and help her as best I can, I just sometimes feel like she thinks I encouraged his suicide

226 79	SMS Messages	Incoming		9/15/2014 7:58:50 PM(UTC-4)	From: 7745713150 Boardman Sam	What does she say? And Michelle don't feel like that at all. You just have to remember where she is coming from, and how it may be affecting her in a different way. She is probably really depressed. She was his mom, and although he was important to u, she like was part of his everyday life and raised him. Some people react differently, and luckily u are able to be positive about it and continue to help others	
226 80	SMS Messages	Incoming		9/15/2014 7:59:35 PM(UTC-4)	From: 7745713150 Boardman Sam	What?

226 83	SMS Messages	Incoming		9/15/2014 8:03:10 PM(UTC-4)	From: 7745713150 Boardman Sam	Unless u like throw a bat at my face	
226 84	SMS Messages	Outgoing		9/15/2014 8:24:05 PM(UTC-4)	To: 17745713150 Boardman Sam	HAHAHA okay well hopefully that wont happen anytime soon And well Ill try not to but I always apologize for things especially when I feel its needed. And Well shes divorced so she like tells me that a lot of people on his side of the family (some aunts and uncles) and Conrads grandpa like treats her kinda poorly and not supportive of what happened and stuff like Coco was very sensitive and he took things to heart. And his grandpa and dad (her ex) didnt treat him that good and always pressured him and stuff and it gave him so much anxiety. And I always told him to not spend as much time with them because he just couldn't handle it and it made him worse being around them but he worked for them like they owned that tug boat company and Coco always felt pressured to live up to their expectations. But with all his issues and stuff he couldn't and that was a big part of his decision to commit suicide. And so his mom just tells me how they and like some aunts and uncles on that side just dont have much sympathy and his grandpa especially doesnt seem to even care at all which drives me insane but his mom and I both agree he will live with the guilt. And she just like tells me all about that and about her new boyfriend and stuff and I mean I like that she tells me these things I want to help her I just get overwhelmed sometimes with what she says like she expects me to know what to tell her and I want to tell her the best things I can because I promised Coco I'd help his mom and sisters get thru this like I told him I wont let them go thru depression and I told him I'd help them and always be there but now that I think of it, youre right she is depressed so I failed Coco I wasnt supposed to let that happen and now I'm realizing I failed him. Sam his death is my fault like honestly I could have stopped him. I was on the phone with him and he got out of the car because it was working and he got scared and I fucking told him to get back in Sam because I knew he would do it all	
226 85	SMS Messages	Outgoing		9/15/2014 8:32:13 PM(UTC-4)	To: 17745713150 Boardman Sam	over again the next day and I couldnt have him live the way he was living anymore I couldnt do it I wouldnt let him. And therapy didnt help him and I wanted him to go to McLean with me when I went but he would go in the other department for his issues but he didnt wanna go because he said nothing they would do or say would help him or change the way he feels. So I like started giving up because nothing I did was helping and but I should of tried harder like I should of did more and its all my fault because I could of stopped him but I fucking didnt all I had to say was I love you dont do this one more time and hed still be here and he told me he would give me signs to know he is watching over me but I havent seen any and I just idk I'm sorry about this rant I just needed to get that off my chest and its finally all sinking in	
226 86	SMS Messages	Incoming		9/15/2014 8:34:25 PM(UTC-4)	From: 7745713150 Boardman Sam	U know exactly what I'm going to say. It's not ur fault. Nothing is ur fault. And his mom probably is telling u this cus she feels like no one else cared about him like u and her did. Like she feels like u can be there for her cus no one else gets it. Ur not failing anything tho. Look what u accomplished this weekend! That's def not a failure.

*Can't get phone call out of my head*

226 87	SMS Messages	Outgoing		9/15/2014 8:50:28 PM(UTC-4)	To: 17745713150 Boardman Sam	I know youre always gonna tell me it isnt my fault but the more that I think about it, the more I think it is and I'm sorry that I think that. I cant get that phone call out of my head. Like I still call him and hope that he'll pick up I know thats bad. But yeah thats true you're right maybe that is why shes telling me all this. I'll think of it that way, it helps make it a little easier thank you for that. You do give helpful responses thats why I tell you these things I just hope you dont mind. And yeah I guess so, I just really wanted to make him proud. He always tried to help others too so I wanted to honor him and I do feel proud of what I did. Do you think he's happy up there tho Sam? Like really happy	
226 88	SMS Messages	Incoming		9/15/2014 8:57:11 PM(UTC-4)	From: 7745713150 Boardman Sam	I think that he doesn't want u to think it's ur fault. It's not ur fault. If it's anyone's fault, it's the people who made him unhappy. He did what he did because he was unhappy and u were one of the happy things in his life. He didn't do what he did because of u. He wants u to be happy and would never want u to think like that	
226 89	SMS Messages	Outgoing		9/15/2014 9:13:09 PM(UTC-4)	To: 17745713150 Boardman Sam	But do you think he's happy? Youre right tho (I always say that but you really are always right) like I guess the people who made him unhappy are more at fault than me if theres anyone to blame. I guess I feel like its my fault because I was the only one Coco told his feelings and everything to so I felt responsible for saving him you know? But thank you for saying that it really helps. I know he doesnt want me to think its my fault and I know he wouldnt want me to live feeling guilty so I have to continue rising from this and not let myself sink. You're my anchor remember? And you've kept me from sinking throughout this and I cant thank you enough for that
