192 44	SMS Messages	Outgoing		8/4/2014 5:31:57 PM(UTC-4)	To: 7746789965 Roy Lynn	Just know that he doesn't want you to be like this. I know that it's the hardest thing you've ever had to deal with and something you do not deserve to deal with, and I know I don't know the pain you're in, but I do know that Conrad doesn't want you to be this way. He would want you to live your life and keep him in your heart, but instead of crying when you think of him, smile instead. Because he's always watching over you, he will never really be gone. Live the best life you can for him, all he wants is for you to be happy, or at least try to be. And I understand that, that was a good decision to bring his stuff to his dad's. Just let me know

192 51	SMS Messages	Outgoing		8/4/2014 5:48:14 PM(UTC-4)	To: 7746789965 Roy Lynn	I loved him Lynn. I thought he was the most extraordinary person and I know I'm young, but I saw the rest of my life with him and he told me the same. He was the bright light of my life and I'm so grateful and blessed for the little infinity he gave me, and knowing him was the best thing that ever happened to me. I just thought he was the greatest man, so special and kind. I adored him. And he loved you so much, he's your Angel now and he will always be by your side. We will carry him in our hearts forever. And your life may not be the same, but maybe you can make something out of this. Use it as strength and help others
